

# Pegswood Primary School

## Year 2 Coverage

### Geography

Pegswood Primary School  
Year Group Coverage - Geography

| Year 2                         |  |                       |                            |                          |
|--------------------------------|--|-----------------------|----------------------------|--------------------------|
|                                |  | Local area & NE coast | Local/UK Study/Katie Morag | Global Study - Australia |
| Locational Knowledge           | Name and locate the world's seven continents and five oceans.  |                       |                            | ✓                        |
| Place Knowledge                | Compare the UK with a contrasting country in the world.  |                       |                            | ✓                        |
| Human & Physical Geography     | Identify seasonal and daily weather patterns and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles.         |                       |                            | ✓                        |
| Geographical Skill & Fieldwork | Use world maps, atlases and globes to identify the countries, continents and oceans studied at this key stage.   |                       |                            | ✓                        |
|                                | Use simple compass directions and locational and directional to describe the location of features and routes on a map.   |                       | ✓                          |                          |
|                                | Devise a simple map; and use and construct basic symbols in a key.   | ✓                     |                            |                          |
|                                | Use simple fieldwork and observational skills to study the geography of the surrounding area, including key human and physical features, using a range of methods. | ✓                     | ✓                          |                          |
